

NOW get immediate ONLINE access

With Paper Recycling Online at www.recycle.cc

You want the accurate prices and scrap paper market analysis you get in *The Paper Stock Report*, but with the timeliness of instant ONLINE access. It's all yours at Paper Recycling ONLINE at www.recycle.cc.

Our exclusive *Paper Recycling ONLINE package* includes all of the coverage provided by *The Paper Stock Report* and *Recycled Paper News* with the benefits of instant ONLINE access. Included is access to subscriber-only news, current scrap paper market prices and access to downloadable databases of U.S. and Canadian scrap paper suppliers and scrap paper consuming mills. Printed versions of *The Paper Stock Report* and *Recycled Paper News* are also included in the subscription so you get the best of both worlds.

Purchased separately, these components would cost \$555.
This package is available worldwide for US\$308 per year.
